BOBOKA AHO RY TANINDRAZAKO

Boboka aho ry tanindrazako  
Ka avela hianao ho eo  
Ka izaho sy ny lazakazako  
Handosina fa efa leo  
Zato fahorianao  
Sy ny fijalianao  
Zay nanjary fahorianao  
Ary lamba fitafakao.

Aiza ve k'izaho ireny  
Sisa no naitao hujery  
Izao endriky miava  
Sy ny lasosana voarava ?  
Fa ny maro dia efa tola :  
Ao ny lasa babom-bola  
Tao ny renaky ny toloana  
Ka iahazo fanololona

RADO (Georges Andriamanantena)  
YOU HAVE TO TRANDUCT, PLEASE

Tao 'reo lasana sahadry  
Fa trotaky ny lazon'ady  
Tao ireo tsy nahasehaka  
Resin' hoka sy telhaka  
Nisy matin-kenamaso  
Tamin-tsiri-saramaso  
Tao 'reo lavo tsy tafarina  
Nivaro-bob' itony marina

O, mihidy izao ny vazako  
K'eo hianao ry tanindrazako  
Avela hianao ho potipotika  
Avela hianao ho rotidrotika  
Izay nianjera avela hianjera  
Izay te-hisetra anao : mibera  
Lasana aho, Velona hianao  
Izay mitanga : anao ny anao

**Independence** is a condition of a nation, country, or state in which its residents and population, or some portion thereof, exercise self-governement, and usually sovereignty, over the territory.  
**The opposite of independence is a dependent territory.**  
**Independence does not necessarily mean freedom**

**Political freedom** (also known as a political autonomy or political agency) is a central concept in history and political thought and one of the most important features of democratic societies. It was described as freedom from oppression or coercion, the absence of disabling conditions for an individual and the fulfillment of enabling conditions, or the absence of life conditions of compulsion, e.g. economic compulsion, in a society. Although political freedom is often

interpreted negatively as the freedom from unreasonable external constraints on action, it can also refer to the positive exercise of rights, capacities and and possibilities for action, and the exercise of social or group rights. The concept can also include freedom from

« *interna* »

constraints on political action or speech (e.g. social conformity, consistency, or

« *inauthentic* »

behaviour).

**The concept of political freedom is closely connected with the concepts of civil liberties and human rights, which in democratic societies are usually afforded legal protection from the state**

# INDEPENDENCE

Independence does not, for purpose  
 On only the happiness of a handful of beings;  
 But true independence, without taking sides,  
 Fear every door, to taste the fruit.

Independence is not these debts and the debts,  
 All these external loans, always being looked  
 The the innocent efforts from our side,  
 Liberties raise the step ahead of every day.

Independence is not to be left to settle,  
 victims of Malagasy speak a foreign ...  
 the Independence which cannot be granted,  
 If our fathers, the language is put in the background.

Independence is not a flag born the eye  
 on ostentatious gesture and any veneer of grandeur;  
 But modesty, to be like others,  
 To reflect together, to discuss with him.

Independence is not what any man  
 Who believe in itself the only strong and wise;  
 But overall were looking together,  
 A glorious day for the entire nation.

Independence is not to be left free rein  
 Outside ideas to wage the game;  
 But Independence that engenders joy  
 A heart in union, pride of place.

Independence is not search existence  
 Neither the chaos that make misleading thought;  
 But Independence spreading thought,  
 And showing colour or taste, the Patriots without making.

Independence is not, as you, you did,  
 While the mass will die, the more,  
 But that can create independence,  
 Each has its part and be worthy.

Independence is not money alone  
 For the purchase of those who have their very rights;  
 But Independence concerned with justice,  
 and evading the people the way of everyone.

Independence is not the work lists  
 That flood the universe, although much is false;  
 But Independence, Truth language  
 Who speaks who compromising reality.

At this, in short, Independence, general  
 For which our fathers gave their lives,  
 Followed prison and exile of their time,  
 Sacrificed their property and made donations of blood.

But if Independence is so easy,  
 Become something where selfishness is king ...  
 Oh, without fear, stand up, defend the truth  
 Until the first breath of the good.

O FREEDOM!

 Sister of faith  
 For never silent  
 or absent  
 from my heart

 I will cherish you  
 And defend you.  
 You will be my legacy.  
 And if one took me my pen

 writing you

 My lips  
 I offer,  
 to shout  
 and explain  
 and say  
 all over  
 how are you dear

and blessed thy name ...  
 Also have confidence  
 Still and always !  
 ... Even if you threatened me, that  
 scared me  
 my lips are sewn  
 if they speak  
 you and we hear it!  
 I'm telling you  
 will be there  
 will give heart to joy  
 the nails of my hand  
 right  
 with enthusiasm  
 will scratches in pisé walls  
 and mountains  
 tree trunks  
 and everything on which  
 we will be able to  
 affix  
 Thy name, O Liberty.
